
JILPT Research Activities

Research Reports

The findings of research activities undertaken by JILPT are compiled as Research Reports in Japanese. Below is a list of reports published since December 2014. The complete Japanese text of these reports can be accessed via the JILPT website (<http://www.jil.go.jp/institute/pamphlet/>). English summaries of selected reports are also available on the JILPT website (http://www.jil.go.jp/english/reports/jilpt_01.html).

Research Reports

No. 169 Employment of Disaster Victims in the Recovery and Reconstruction Phase: The Role Played by the Emergency Employment Creation Project in Terms of “Cash for Work” (JILPT Compilation of the Results of the Project to Record the Great East Japan Earthquake No. 8) (December 2014)

Research Series

- No.134 Fact-Finding Survey on Diverse Employment Formats and Human Resource Portfolios (Business Survey / Employee Survey) (December 2014)
- No.133 Jobseeking Activities and Re-employment Status of the Long-Term Unemployed (January 2015)

Research Material Series

No.146 Wellbeing of Child-Rearing Households: Focusing on Mothers and Children (February 2015)

Labor Situation in Japan and Its Analysis: Detailed Exposition 2014/2015

In February 2015, JILPT published “Labor Situation in Japan and Its Analysis: Detailed Exposition 2014/2015,” a compilation of write-ups in English by JILPT researchers describing individual themes related to the current status of labor issues in Japan. The complete English text of the publication can be accessed via the JILPT website (<http://www.jil.go.jp/english/lsj/index.html>). The contents of this publication are as follows.

- I. Trends in Non-regular Employment in Japan and Analysis of Several Related Themes
- II. Labor Supply and Demand Estimates—Policy Simulations Based on the Labor Supply and Demand Model (FY2013)
- III. Long-term Care Workforce Supply-demand Structure and Related Challenges
- IV. Diverse Needs for Mature Adult Career Guidance in Japan—Focus on the Three Topics of Segmentation, Delivery, and Cost
- V. WLB Support Initiatives and Women’s Job Continuity in Japan

- VI. Analysis of Case Law on Dismissal of Restricted Regular Employees
- VII. Systems and Practices Related to Hiring and Termination of Employment in Japanese Companies, and Individual Labor-related Disputes—from the “Fact-finding Survey on Employee Hiring and Firing”
