

## JILPT Research Activities

The findings of research activities undertaken by the Japan Institute for Labour Policy and Training (JILPT) are compiled into Research Reports in Japanese. Below is a list of the reports published from April 2012 onward. The complete Japanese text of these reports can be accessed from the JILPT website (<http://www.jil.go.jp/institute/pamphlet/>). We are currently working on uploading abstracts of reports in English onto the JILPT website as well ([http://www.jil.go.jp/english/reports/jilpt\\_01.html](http://www.jil.go.jp/english/reports/jilpt_01.html)).
