

8. Labor Force Participation Rate by Sex and Age Group

性・年齢階級別労働力率の推移

Source: Statistics Bureau, Ministry of Internal Affairs and Communications, **Labour Force Survey**

Notes: 1) Labor force participation rate = (Labor force / Persons 15 years old and over) × 100

2) Figures do not include data from three prefectures (Iwate, Miyagi and Fukushima), because of the Great East Japan Earthquake.
