

34. Rate of Change in Monthly Cash Earnings

賃金の伸び率

Source: Ministry of Health, Labour and Welfare, *Monthly Labour Survey*

Notes: 1) "Total amount of salary in cash" is a combined amount of "salary paid regularly" and "salary paid specially" before deducting income tax, social insurance premiums, union dues, payment for purchases, etc.

2) The survey of establishments with 5 employees or more started in 1990

3) Calendar year average
