

## 29. Trends in Labor Turnover

## 労働移動の推移

Source: Ministry of Health, Labour and Welfare, *Survey on Employment Trend*

- Notes:
- 1) Accession rate = Number of hired employees / Number of regular employees (as of January 1) (A)  
 Separation rate = Number of separated employees / Number of regular employees (as of January 1) (B)  
 Labor turnover rate = (A) + (B)
  - 2) From 1991, Construction is included.
  - 3) As industries covered have partially increased since 2004, figures do not connect to those before 2003.
